

NDSBA Annual Convention Step-By-Step Guide to Online Registration

1. Gather the information you'll need to register your district. This will include:

- Name, email, and phone number of each person attending
- Which event(s) each person will be attending
- The number of delegates your district is entitled to and who your board has appointed to fill these roles. See "Determining Delegates."

2. Visit www.ndsba.org. On the right side of the page under QUICK CLICKS, click on ANNUAL CONVENTION REGISTRATION.

3. Under "Choose Registration Type" enter the appropriate number of individuals for your district in the appropriate box. These numbers will include the business manager and superintendent if attending. If you do not have anyone from your district for a particular type of registration, you do not need to type anything into the box.

Example: I have one new board member attending the new member seminar and convention, two board members attending law seminar and convention, and a superintendent attending law seminar and convention. My registration type box would look like this:

CHOOSE REGISTRATION TYPE			
QUANTITY	REGISTRATION TYPE *	PRICE *	TOTAL
<input type="text" value="Choose"/>	NMS: New Member Seminar ONLY	150	0
<input type="text" value="Choose"/>	LAW: School Law Seminar ONLY	150	0
<input type="text" value="Choose"/>	CONV: Convention ONLY	190	0
<input type="text" value="1"/>	NMS-CONV: NMS and Convention	260	260
<input type="text" value="3"/>	LAW-CONV: LAW and Convention	260	780

You will be able to register up to 4 attendee(s) and information for each below.

4. Enter billing contact details. These details will likely be you, the business manager. Enter your school district in the ORGANIZATION box. Ensure that your email address is entered correctly; this is where your confirmation will be sent.

5. Enter attendee information.

- Enter the first name, last name, email address, and phone number of each person from your district who is attending.
- To the right of their information you will choose their registration type. Choose the code that correlates to the registration type above and on the information sheets you received by email. If Attendee #1 is attending the new member seminar AND convention, you would choose NMS-CONV. Because we chose one NMS-CONV and three LAW-CONV in the first box (registration type), we will choose NMS-CONV for one attendee in this area and LAW-CONV for the other three.
- Designate the attendee as a delegate, alternate, or neither. Remember, only board members may be delegates or alternates. Additionally, only board members who have been designated as delegates or alternates by October 13 may vote at Delegate Assembly. NDSBA encourages you to designate all board members who could possibly serve as delegates as either a delegate or alternate.
- Choose the attendee's title.
